

## Summer 2013 Conferences with *Foundations of Naturopathic Medicine Project* Presenters

The *Foundations of Naturopathic Medicine Project* had four FNM Senior Editors who presented at the AANP 2013 Conference & Exposition in Keystone, Colorado July 10-13:

- James Sensenig, ND gave the Conference Opening Plenary with the presentation "Back to the Future: Why Vitalism is the 'New' Medicine"
- Pamela Snider, ND & Joe Pizzorno, ND engaged a large audience in their presentation "The Diversity of the *Vis Medicatrix Naturae*" and were rewarded by a rich collection of audience survey forms on what the *Vis* means to them individually as a Naturopathic physician.
- Don Warren, ND, DHANP together with FNM contributors Elizabeth Pimentel ND, Letitia-Dick Kronenberg ND, Thom Kruzel ND, & Tressa Pinkleton, ND Candidate will conduct a panel discussion on "The Heart of Naturopathic Medicine in Naturopathic Medical Education"

For the complete program, visit the AANP 2013 Conference & Exposition website, [www.naturopathic.org](http://www.naturopathic.org)

The *Foundations of Naturopathic Medicine Project* was well represented at ICNM 2013 with many FNM editors and authors speaking at the plenary sessions, including (in order of presentation):
